

EXCEPTIONAL PEOPLE.
EXCEPTIONAL CHALLENGES.

YOU CAN CHANGE SOMEONE'S LIFE.

There are so many exceptional people in our communities. People who bravely face daunting challenges each and every day...and those who help them overcome the obstacles they encounter.

With your help, **Chicago Tribune/WGN-TV Holiday Giving** will strive to make a difference in their lives:

Give them enough to eat. Through your gift, you'll be reaching out to provide food for children, adults, and senior citizens who are homeless or living in high-poverty neighborhoods.

Give them a chance. For adults who are functionally illiterate and children who are struggling to read at grade level, your generosity is the bridge that links them to a brighter future.

Give them greater hope. Help us plant the seeds of self-sufficiency. The goal is to strengthen families and give them hope for a better future—and your donation is at the heart of these efforts.

GIVE WITH CONFIDENCE.

When you participate in the Chicago Tribune/WGN-TV Holiday Giving campaign, you can be confident that your entire donation will go toward programs that directly benefit those in need right here in Chicagoland. All the costs of fundraising and administration are paid by the McCormick Foundation and the Chicago Tribune.

Better still, the McCormick Foundation will provide a match of 50 cents on the dollar, making these contributions even more valuable.

Please give generously today.
